## 2021 CABERNET SAUVIGNON COLUMBIA VALLEY

### 95 POINTS – DECANTER

“The varietal calling card of this Cabernet Sauvignon (with 13% Merlot) from throughout the Columbia Valley is its savoury core. Aromatics of bay leaf, eucalyptus and whispers of roasted hatch pepper mark an elegance accompanying this wine’s depth and apparent longevity. The savoury, dried garrigue and lavender notes envelope red and black fruits across the palate as black cherry flesh and perfectly picked blackberries are met with a prominent streak of graphite. Delicious and built to cellar.”

### 93 POINTS – WINE SPECTATOR

“Refined and attractively structured, with expressive black cherry and currant flavors laced with hints of tobacco and cedar as this finishes with fine-grained tannins.”
