2023 CHARDONNAY WASHINGTON STATE

90 POINTS - DECANTER

“This Chardonnay comes from vineyards in both Walla Walla Valley and the Ancient Lakes AVA in the northern reaches of Washington’s wine country. Élevage is done in oak, steel and amphora. Bright aromatics of lemon verbena, white pepper, and dried white flowers lead to a palate of lemon candies, crushed slate minerality, and tart salted lemon wedge with a long, fresh finish.”
